

Email Marketing

Are you looking to maximise the value of your email marketing efforts?

It could not be simpler.

We set you up and from then on you pay only for the campaigns you send.

Base Plan - Includes:

- Set up of your web based admin
- Creation of your customised html template
- Subscriber list management - Import subscribers.

- 1 click unsubscribe.

- Hard and soft bounce handling.
- All tracking and reporting features - URL click through and newsletter read

Full Service Plan:

The difference to the base plan is that we will attend to all aspects of your campaign for you

- Uploading your subscriber list

- Inserting your content into your HTML template
- Sending it for you.
- You'll have full access to tracking and reporting.

We will ensure that every campaign is sent successfully, and is completely stress free for you.

All plans include

- Personalised newsletters

- Support plain text and HTML

- Up to an hour of phone training
- Unlimited technical support

Pricing:

Sending your campaigns can cost as little as \$20.00 flat fee + \$.06 per email deployed.
